

KS1 & 2 Science Long Term Plan 2017-18

	<b>Term 1</b>	<b>Term 2</b>	<b>Term 3</b>	<b>Term 4</b>	<b>Term 5</b>	<b>Term 6</b>
EY	Ourselves	Light and colours	Sound	Animals	Seasons and weather	Plants
1	Animals including humans -body parts and senses	Animals including humans – classification and diet	Seasonal changes	Everyday materials	Plants	Plants
	<b>Observation over time: Seasonal changes</b>					
2	Animals including humans – animal needs, hygiene and exercise	Uses of everyday materials	Living things and their habitats – living, dead and never been alive	Living things and their habitats – habitats and food chains	Animals including animals – offspring growing into adults and diet	Plants (life cycle)
	<b>Observation over time: Plants</b>					
3	Animals including humans - nutrition	Animals including humans – skeletons and muscles	Light	Rocks	Plants	Forces and magnets
	<b>Observation over time: Light</b>					
4	Animals including humans (teeth, digestion and food chains)	Living things and Habitats (changing environments and classification keys)	Sound	State of matter (solids and liquids)	Electricity (circuits)	Electricity (circuits and conductors)
	<b>Observation over time: Changing environments</b>					
5	Forces	Living things and their habitats – life cycle and reproduction	Properties and changes of materials	Earth and space - Earth, Sun and moon	Animals including humans – changes that occur in humans as they age	Properties and changes of materials
	<b>Observation over time: Earth and space</b>					
6	Animals including humans (effects of diet, exercise, drugs and lifestyle on the body)	Animals including humans (heart and circulation)	Living things and their habitat	Evolution and extinction	Electricity and circuits	Light
	<b>Observation over time: Living thing and their habitats</b>
