1. Aims

This policy aims to:

- Support the wellbeing of all staff to avoid negative impacts on their mental and physical health
- Provide a supportive work environment for all staff
- Acknowledge the needs of staff, and how these change over time
- Allow staff to balance their working lives with their personal needs and responsibilities
- Help staff with any specific wellbeing issues they experience
- Ensure that staff understand their role in working towards the above aims

2. Promoting wellbeing at all times

We have a Staff-Wellbeing committee that represent the school community and the Deputy Head Teacher is the well-being lead. We have an Action Plan clearly stating clear actions we take to promote well-being across the school. The action plan is developed collaboratively to allow all staff to contribute and understand what is in place to support them.

The key areas of priorities are:

- Create an ethos where we all look out for each other, notice when colleagues are struggling and support each other
- Create a wellbeing space in school
- Effective signposting to external help and support
- Recognise staff achievements and celebrate success
- Create a climate in which staff are motivated and trusted to take risks and innovate in ways that are appropriate for their pupils.

2.1 Role of all staff

All staff are expected to:

- Treat each other with empathy and respect
- Keep in mind the workload and wellbeing of other members of staff
- Support other members of staff if they become stressed, such as by providing practical assistance or emotional reassurance
- Report honestly about their wellbeing and let other members of staff know when they need support
- Contribute positively towards morale and team spirit
- Use shared areas respectfully, such as the staff room or offices
- Take part in training opportunities that promote their wellbeing

2.2 Role of Phase/Team Leaders

Line managers are expected to:

- Maintain positive relationships with their staff and value them for their skills, not their working pattern
- Provide a non-judgemental and confidential support system to their staff
- Take any complaints or concerns seriously and deal with them appropriately using the school's policies
- Monitor workloads and be alert to signs of stress, and regularly talk to staff about their work/life balance
- Make sure new staff are properly and thoroughly inducted and feel able to ask for help
- Understand that personal issues and pressures at work may have a temporary effect on work performance, and take that into account during any appraisal or capability procedures
- Promote information about and access to external support services
- Help to arrange personal and professional development training where appropriate
- Keep in touch with staff if they're absent for long periods
- Monitor staff sickness absence, and have support meetings with them if any patterns emerge
- Conduct return to work interviews to support staff back into work
- Conduct exit interviews with resigning staff to help identify any wellbeing issues that lead to their resignation

2.3 Role of Senior Leaders

Our Deputy Head Teacher is the Well-being Lead.

Senior staff are expected to:

- Lead in setting standards for conduct, including how they treat other members of staff and adhering to agreed working hours
- Manage a non-judgemental and confidential support system for staff

- Make sure accountability systems are based on trust and professional dialogue, with proportionate amounts of direct monitoring
- Regularly review the demands on staff, such as the time spent on paperwork, and seek alternative solutions wherever possible
- Make sure job descriptions are kept up-to-date, with clearly identified responsibilities and staff being consulted before any changes
- Listen to the views of staff and involve them in decision-making processes, including allowing them to consider any workload implications of new initiatives
- Communicate new initiatives effectively with all members of staff to ensure they feel included and aware of any changes occurring at the school
- Make sure that the efforts and successes of staff are recognised and celebrated
- Produce calendars of meetings, deadlines and events so that staff can plan ahead and manage their workload
- Provide resources to promote staff wellbeing, such as training opportunities

- Promote information about and access to external support services

3. Managing specific wellbeing issues

The school will support and discuss options with any staff that raise wellbeing issues, such as if they are experiencing significant stress at school or in their personal lives.

Where possible, support will be given by Phase Leader/ Line managers or Senior Leader This could be through:

- Giving staff time off to deal with a personal crisis
- Arranging external support, such as counselling or occupational health services
