Friday 25th February 2022

Dear Parent/Carer,

I hope you and your family are keeping well and you had an enjoyable half term break last week.

Following the announcement by the Prime Minister regarding the 'Living with Covid-19' plan, please note the following:

Whilst from 24th February the Government has removed the legal requirement to self-isolate, the advice remains that all adults and children who test positive to stay at home for at least five days and follow the guidance until they have received two negative test results on two consecutive days. We request that the advice is followed by staff and pupils at Vicarage Primary School.

In the case of a local outbreak, then as per our Covid-19 risk assessment, we will be guided by Public Health England as to the appropriate next steps.

As the health and safety of our school community remains our main priority, there will be a gradual return to whole school events.

I'm pleased to inform you that Parents Evenings this term will be face to face. We are also resuming phase assemblies and educational visits. From Monday 28th February pupils must bring their PE kits in a bag and wear their school uniform to school every day.

The aim is to return to our full school provision before the end of the academic year.

As always, please do not hesitate to speak to me or any staff member if you have any queries.

Thank you for your continued support,

Ms S Khan
Head Teacher
