## **Welcome Back**

We hope you and your family had a lovely Easter break. It was wonderful to welcome our pupils back to school and hearing their holiday news. Looking forward to this term, we hope it will be filled with lots of exciting cross-curricular events such as Sports Week, the Year 6 production and educational visits.

Please note the latest guidance regarding Covid from the UK Health Security Agency.

If your child is unwell, they no longer need to have a Covid test unless directed by a health professional. If a child is tested and they have a positive Covid-19 test result, they should try to stay at home and avoid contact with other people for 3 days after the day of the test. After 3 days if they feel well and do not have a high temperature, they can return to school.

We would like to take this opportunity to wish our families who will be celebrating Eid in the coming days, Eid Mubarak.

## School and Home Partnership

It is our aim at Vicarage Primary school to work closely with all parents/carers in a partnership which ensures the children's school experience is happy and secure.

The Home School Agreement which can be found in the pupil diaries clearly states the expectations of pupils, staff and parents.

There will be occasions when a parent has a concern or a complaint they wish to raise with the school. Please be assured that all concerns and complaints are taken seriously and every effort is made to resolve the matter as quickly as possible to ensure the best outcome for all concerned.

Many issues can be addressed informally by speaking to the class teacher or another member of staff. If however, a parent would like to make a formal complaint, the steps to follow are outlined clearly in the Complaints Procedure which can be found on the school website or a hard copy obtained from the school office.
