Year 5 Poetry Retreat

We are delighted to share the enriching experience of a group of our talented pupils who embarked on a memorable four-day Poetry Retreat in the breath-taking surroundings of the New Forest. The children accompanied by Mrs Zaff, worked alongside pupils from the other MAT schools as well as Jonny Walker and the poet Adisa.

This extraordinary opportunity allowed our young poets to immerse themselves in nature's beauty, finding inspiration in every corner of the forest. Pupils explored various poetic techniques and crafted their own masterpieces, which beautifully captured the essence of their surroundings.

The retreat provided a serene and nurturing environment for our pupils to express their emotions and ignite their creativity. They engaged in thought-provoking discussions, shared their work, and received valuable feedback from both their peers and adults.

This transformative experience not only deepened their appreciation for the power of words but also fostered a sense of community and camaraderie among the participants. We commend our talented poets for their dedication, resilience, and the remarkable pieces they created during this unforgettable journey into the world of poetry. The poems written by all the children have been included in a published anthology.
